Agenda:

- Welcome and introduction (5 minutes):

- Call the meeting to order
- Converse with present team members
- Briefly introduce the purpose of the meeting

- Pitch Deck Review/Discussion(25 minutes):

- All team members reviewed the pitch deck before the meeting, making sure that they know what parts they are saying.
- Some minor adjustments were made.
- Individually, each person rehearsed their part of the powerpoint, making sure that they knew what they were going to be speaking about.

- Meeting with (60 minutes):

- Meeting with Company Contact went under way - went well.
- Company Contact Opinions:
 - All use cases were very good
 - Advised us to pick one that it's not too much work
 - First two use cases were good - can see the benefits of it that a company would gain from it - Eviden would benefit from it
 - She will look at them more in-depth and will give us feedback - will try and get that done today
 - Challenge will be the data we need to find

- Had a chat with the senior people - result is that this is being worked on
- Senior people mentioned if we have access to data as the uni - uni resources - ask supervisor

- Tasks that need to be done:

- Figma setup - Andreas invited both Martin and Aaron to the figma project.
- Andreas sends a pack to charlotte all the documents she wants to review.

- Team Roles:

- Design & Functionality of User Interface/Dashboard - Andreas, Aaron
- Database Management - Humais, Dixon
- Initial AI development - Jacob, Daniel, Mateusz
