WORK EXPERIENCE

Lincolnshire Co-operative - Pharmacy Warehouse Assistant - Lincoln, UK

| Dec 2021 – Aug 2022

- Supported operations of the community Pharmacy and Distributions warehouse averaging 22,000 items processed per month. Gained hands-on experience in optimising workflow efficiency and inventory management, which required a keen eye for detail and strong aptitude for organisation
- Leveraged technology solutions to enhance inventory tracking and streamline processes, aligning with personal interests in technology integration. Provided valuable exposure to the critical intersection of healthcare and technology, fostering my curiosity for how technology can transform industries

Carpenters Arms - Culinary Apprentice - Lincoln, UK

| May 2020 – Dec 2021

- Excelled within a dynamic and rigorous culinary setting at the top-rated bustling local restaurant, where precise scheduling and adaptability within a small yet robust team of 8 were essential
- Honed my ability to perform successfully under high pressure and adapt to changing circumstances
- Became adept at coordinating tasks efficiently, collaborating with a diverse team, and maintaining a high level of organisation

Golden Hill - Customer Services and Cashier - Lincoln, UK

| Jun 2019 – Mar 2020

- Acquired a unique skill set that surpasses traditional cashiering duties. Beyond processing up to £1500 in daily revenue and managing orders, my emphasis was on providing exceptional service to an average of 60 customers a day, building rapport and an overwhelmingly positive reputation within the community
- This role nurtured my ability to communicate effectively, resolve issues efficiently, and remain calm within the storm. Developed strong attention to detail in financial transactions through end of day accounting, promoting a mindset of accuracy and precision

EXTRACURRICULARS

University of Nottingham Brazilian Jiu-Jitsu Club - Media Secretary – Committee Role

| Sep 2023 – Present

- Elected as the club's Media Secretary by a landslide vote. Released committee designs and short-form content to our Instagram page, which reached 15,600 novel accounts and lead to a 20% increase in total followers from September 2023.
- Helped recruit new members to our club through the official social media pages by producing captivating club graphics, simultaneously sharpening my media editing skills
- Strongly supported the record induction of 70 new paying members to the club, bringing in over £4000 to the club in revenue through memberships and coaching packs. Assisted unsure beginner members to settle in and start training

Young Professionals - TechTheFuture Virtual Work Experience

| July 2021

- Engaged with top technology professionals and FTSE 100 tech companies, this experience provided insights into diverse career paths and emerging innovations within the tech sector
- Developed my skills in remote collaboration and effective communication, and gained a strong foundation in technology trends and the ability to work effectively in virtual environments, making me well-prepared to innovative tech projects and excel in a tech-oriented role

SKILLS & INTERESTS

- Fluent in both English and Polish, as a native speaker, furthers success in diverse and multicultural settings
- Aspiring hybrid athlete, increasing strength and endurance to progress through my physical wellness endeavour. My commitment to my active lifestyle reflects my dedication to discipline, self-improvement, and goal achievement
- Preserving and evolving my diverse range of interests complements my professional and personal growth. My fascination with advancements in physics underscores my analytical thinking and problem-solving abilities, while my passion for gastronomy and nutrition supports my healthy lifestyle. Hiking, Skiing, Surfing, and other outdoor activities not only keep me physically active, but also nurture my determination and ability to grow and keep learning
